The Mark of Your Journey

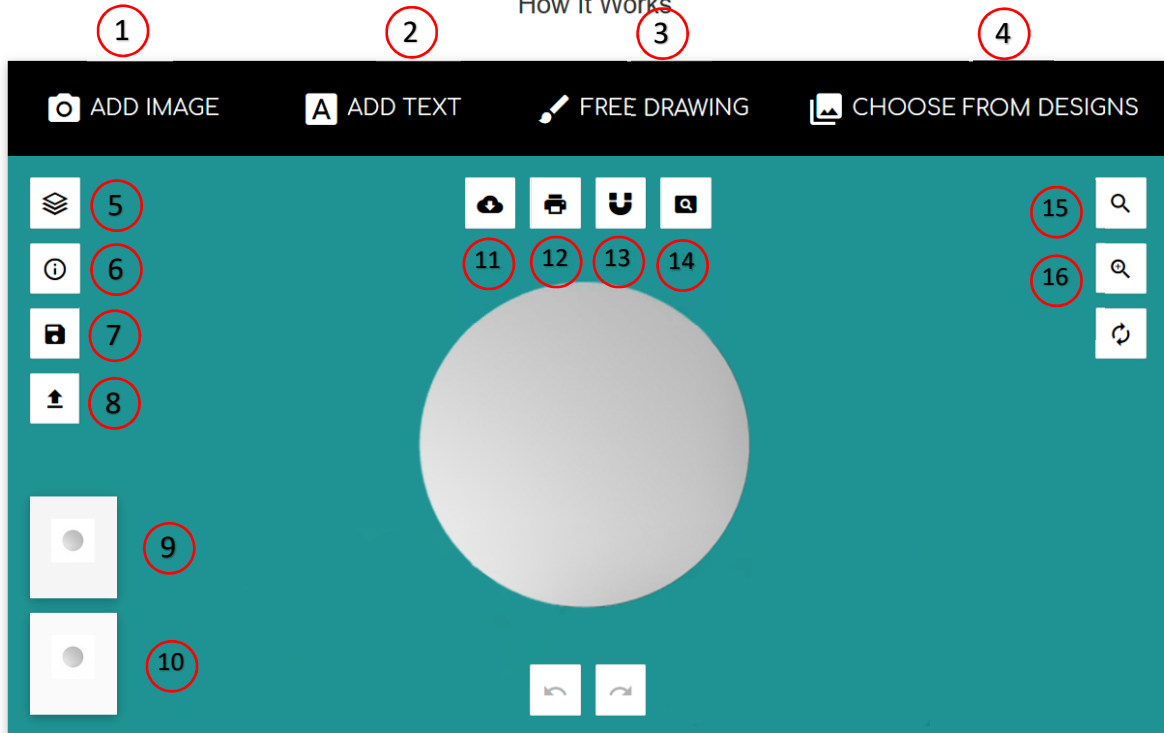

HOW TO USE THE DESIGN TOOL

The Designer Tools has 4 Main Categories to Choose from While Designing Your Pieces

1. ADD IMAGE. Allows you to upload your own vector Black and White Line Drawings. If you have a picture or photo that is not a vector black and white drawing, you need to convert it. We have detailed instructions on how to convert your custom pictures, on our website
2. ADD TEXT. Allows you to add text to your design. You can select different fonts and curved text
3. FREE DRAWING. Allows you to create free drawings to add to your designs
4. CHOOSE FROM DESIGN. Allows you to select from our library of drawing and icons.
5. MANAGE LAYERs. Allows you to delete layers from the design.
6. INFORMATION. May contain additional information and design tips.
7. SAVE. Allows you to save your design.
8. LOAD. Not used by the designer tool.
9. FRONT. Allows you to design the front of your piece. In some pieces can also design the back
10. BACK. Allows you to design the back of your piece.
11. DOWNLOAD. Allows you to download your design
12. PRINT. Allows you to print your design.
13. CENTER SNAP. Aligns your design in the center.
14. PREVIEW. Allows you to preview your design
15. ZOOM IN. Allows you to zoom in
16. ZOOM OUT. Allows you to zoom out
17. RESET. Resets your design
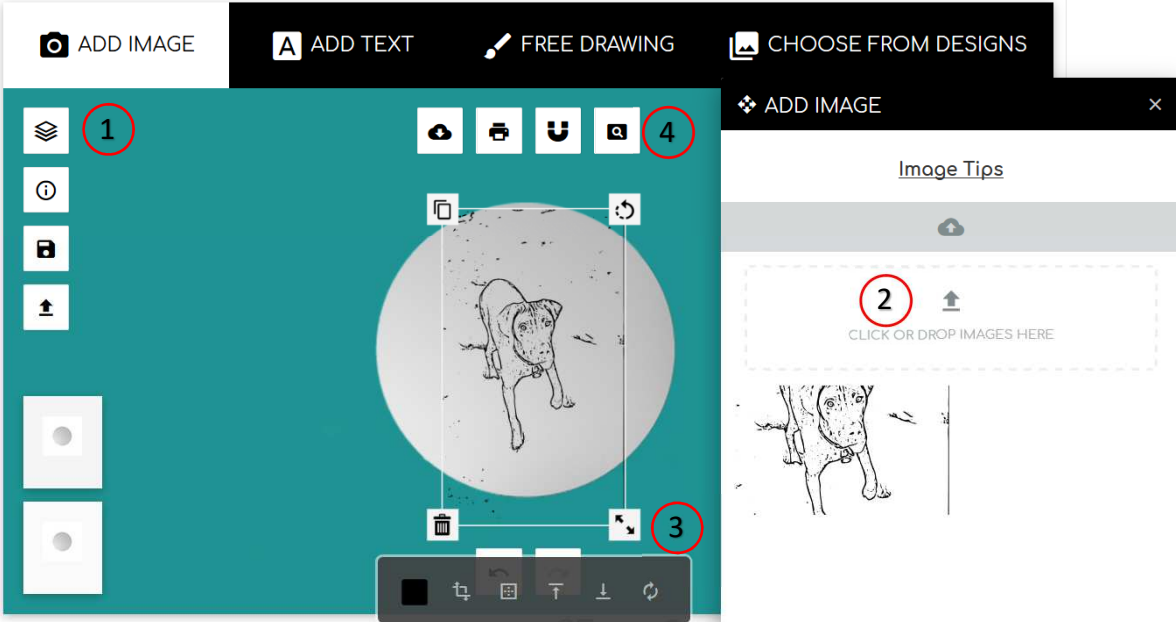

Custom Design

How It Works

ADD IMAGE

All images uploaded should be Black & White Line Drawing Images. If you need to convert your images, you can download the instruction available in our website.

1. Select Manage Layers
2. Upload Converted Image
3. Adjust Size
4. Preview
5. Order
